Ref: Early Pay Discounts 2% net 10

Effective on November 1st, 2017

Attention customers, we are suspending our early pay discount of 2% net 10 indefinitely as of November 1st, 2017 and moving to our new pricing structure (We are no longer going to offer early pay discounts). We are moving to a more cost-effective way to provide discounts to our customers. Currently we are giving you the cost break at the time of ordering with our new pricing and discount structure. This way it would be more effective for business operations so that you can take the savings upfront. We are always working to provide the best methods of business relations between our company and yours and we strive for a mutual benefitable relationship between our organizations. We look forward to the rewarding future endeavors and if you have any questions or concerns please contact us at 1-800-676-0911.

Sincerely,

Hydra Shield
