

OUT OF SERVICE™ SPEC SHEET

FYRELANE USA

Out of Service Signs

Fyrelane USA Out of Service Signs are a great way to mark you hydrants when they are inoperable, you can use these signs over and over and unlike trash bags or other marking devices these are clean, neat and also reusable, not to mention cost effective. Fyrelane USA Out of Service Signs are Plastic with UV protector and silk screened with a special ink that allows them to have a longer life all signs are die cut to spec and silk screen process to make sure the signs have great durability to withstand harsh conditions.
